

and Police Departments of and above the rank of an Amildar or Police Inspector, respectively.

- (g) The lessee shall render every month to the District Forest Officer an account of the number of cart-loads of tangadi and kakke barks collected and carted during the month.
- (h) The lessee shall provide printed licenses and passes in triplicate for the collection and for the export of the bark under his signature. In the latter case, each cart-load must be covered by a pass. These licenses and passes which will be in books shall be obtained from the Range Forest Officer and will have a seal of the District Forest Officer, impressed. The duplicate copies will be submitted to the Range Forest Officer on the day on which the license or pass is issued. When the books are completed, the counterfoils should be returned to the District Forest Officer through the Range Officer and fresh supply obtained.

*N.B.*—Forest forms 84 and 85 shall be used.

- (i) The lessee or sub-lessee, his agents or maistries and servants shall be held responsible for any fires caused by negligence either by themselves or by their workmen and shall prevent the occurrence of fires in the forests in which they may be working, and render prompt assistance in extinguishing such fires as may break out accidentally.
- (j) They will also be liable under the Forest Regulation, irrespective of any action that may be taken under the contract. They shall remove out of the limits of the District before the 31st July 1935, all bark collected and stored under the terms of this lease.
- (k) Neither the lessee nor sub-lessee nor his employees shall enter the State Forest either before sunrise or after sunset.
- (l) No collection of the bark will be permitted in the State Forests, during the fore-season, i.e., from the 15th February to end of April of each year.
- (m) The lessee or sub-lessee shall not interfere with the recognised rights of Inamdars.
- (n) The lessee or sub-lessee shall hold himself responsible for the acts of his agents or servants in the business of collection and transport.

13. In the event of breach of any of these conditions, the lease will be cancelled or the security amount forfeited in whole or in part, or both these penalties will be enforced at the discretion of the Conservator of Forests. In the case of mere forfeiture of the security deposit amount, the difference will be made good immediately by the contractor, and in the case of the cancellation of the lease, the right will be resold, the lessee not being entitled to moneys already paid by him or for the subsequent excess realisations by resale, the deficit if any, that may result from such resale being recovered from him as an arrear of land revenue.

B. N. IYENGAR,  
District Forest Officer.

#### *Abstract Notice.*

The attention of the public is invited to the notification inviting tenders for the construction of a Maternity ward at Nelamangala published on pages 586 to 587, Part VI of the *Mysore Gazette*, dated 25th May 1933.

2. The last date for receipt of tender is 12th June 1933, and earnest money to be deposited is Rs. 100.

*Notification dated 23rd May 1933.*

Notice is hereby given that sealed tenders will be received at the Office of the Executive Engineer, Bangalore Division, up to 2 P.M. on 19th June 1933 for "Restoring Chamachanahalli Minor Tank Reg. No. 49 of Devanahalli Taluk." An approximate estimate of quantities is given below. These quantities are not guaranteed. The work should be completed by the end of June 1934.

2. The plans, detailed estimate and conditions may be seen at the Executive Engineer's Office, Bangalore Division, Bangalore, between the hours of 11 A.M. and 5 P.M., on all office days.

3. Tenders should be submitted on printed forms, which may be obtained from the Executive Engineer. They should be accompanied by a statement in the form given below, showing the rates at which the different items specified will be executed.

4. Each tender must be accompanied by a deposit of Rs. 300 as earnest money and be superscribed "Chamachanahally Minor Tank R. No. 49 of Devanahally Taluk," in default of which, tenders will be rejected.

5. The final acceptance of any tender will rest with the Executive Engineer, who does not bind himself to accept the lowest or any tender or to assign any reason whatever for the rejection of any tender.

6. Within eight days of the acceptance of the tender, the successful competitor will be required to execute the usual contract bond, in default of which his tender will be considered cancelled and his earnest money will be forfeited.

7. The name of the successful competitor, whose tender has been accepted, will be posted on the Notice Board in the Executive Engineer's Office in due course. No enquiries regarding the acceptance or rejection of a tender will receive any reply.

8. On acceptance of one of the tenders, the earnest money on rejected tenders will be returned.

9. Charges on account of scaffolding materials, implements for setting out, barricading, clearing site, supply of water, etc., that may be found necessary during execution will not be paid for separately, but should be borne by the contractor.

10. Rates for non-tendered and non-estimated items shall be as per schedule rates of the Department or those fixed by the Executive Engineer after working out data with not more than 10 per cent for contractor's profit.

11. In all matters not specifically provided for and in all matters of disputes about rates, quantities, measurements, quality of works, etc., and in all disputes of any kind, the decision of the Executive Engineer, Bangalore Division, will be final and legally binding.

12. Quotations must be shown in words as well as in figures and they must be in specific term of unit shown against each item of work. Any quotations quoted at so much percentage less or more than estimate rate will not be accepted.

13. Any tender containing a conditional clause contrary to these requirements or making stipulations not provided for either in this advertisement or the abstract quantity will summarily be rejected.
